

ORAL HEARING DATE ANNOUNCEMENT

Following our recent submission to the High Court, we are delighted to announce that we now have a date for our oral hearing. The date has been set for **Friday 7th December 2018** and we have been granted the maximum two hours permitted.

Unusually for this type of matter, the Government will also be attending and making representations via its top Barrister, First Treasury Counsel, Sir James Eadie QC. Sir James represented the Government in the Gina Miller Article 50 proceedings: '*R (Miller) vs Secretary of State for Exiting the European Union*'.

While our challenge may focus on Brexit, at its heart is the need to ensure we have a **democratic process that prevents the buying of power and votes**.

We will aim to convince the High Court that our case is arguable, and not out of time - essentially arguing against the court's current rationale for denying permission to proceed. We hope to be granted a substantive hearing, and that our case be expedited due to the urgency of our challenge.

With time running out, it is vital we raise awareness and donations to cover the legal fees associated with this very important case.

Please give whatever you can and share the UK in EU Challenge details with your friends, family and colleagues. The more people we reach who can offer their support, the greater our chances of success.
